Highlights

Use the cable length you want
Use the cable length you want up to 3ft/1m.

PC and Mac compatible
USB 2.0 cable will work with both PC and Mac computers.

Eliminates tangles
The spring-loaded retractable device facilitates easy mobility when traveling by allowing you to select exactly the length of cable you need and storing the rest on an internal reel.

EasySnap feature
The unique EasySnap feature protects the connectors when not in use. It prevents damage while stored in your book bag or purse, helping to ensure the integrity of your connections over an extended amount of time. EasySnap also reduces cable clutter even more by keeping the connector firmly secured in the outer case.
